Walk-in Interview on 27th June 2017 for the post of Junior Research Fellow at Symbiosis Institute of Geoinformatics, Pune

Symbiosis Institute of Geoinformatics is looking for talented candidates, having a consistently good academic record and with a strong zeal and motivation to pursue innovative research in a DST funded Research Project entitled “**Development Of Drought Monitoring System For India**” for the post of Junior Research Fellowship (JRF).

Post: One Junior Research Fellow

Project Duration:

Appointment will be for 3 years or till end of project and subjected to annual review for further extension that will be granted based on the research progress and accomplishments.

Fellowship:

25000 pm + HRA (for two years)

28000 pm + HRA (Third Year)

Qualification:

M.Sc. or M.Tech with first class or equivalent grade in Geoinformatics, computer science or equivalent with advance knowledge of Python, MATLAB and R programming . Should have proven knowledge in the area of spatial analysis, data analytics and spatial modelling.

Age limit: 28 years

How to apply:

A walk-in-interview will be held on 27-06-2017 at 11:00 am at the Symbiosis Institute of Geoinformatics, Pune. All interested candidates are requested to appear for an interview with the following:

1. A detailed CV
2. Degree certificates (original and photocopy)
3. Thesis/ project report and publications

No TA will be paid for appearing in the interview. Candidates may also send their CV in advance to director@sig.ac.in.

The candidate may also appear an online interview via skype. The candidate needs to inform in advance and send the skypeID.
